### Do the DEW: Dollar Every Week

Our DEW effectiveness has fallen off every year since we began this program. So we are taking this as a sign that something needs to change.

These funds are used for the general account which pays for whatever is needed for camp. Starting in 2019 the DEW funds will be set aside for a specific project, to be determined later.

In the past we encouraged you to set aside a dollar every week for Camp Garwood. We would take t-shirt orders from the churches and the DEWer's pay the cost to get a DEW shirt at camp. As of this year the program is going to become the Camp DEWer's. A Camp DEWer is anyone who gives \$75.00 or more to camp in a year.

Camp DEWer's will receive a free t-shirt and will have special retreat weekends only open for DEWer's. The first one being this fall. DEWer's will also get special recognition camp week.

DEWer's are determined on an honor basis. Churches will receive a DEWer t-shirt order form in the camp packet. Anyone that is a DEWer needs to get their name on that form. That form will be returned to us by the registration due date. Remember, DEWer's are individuals, not family units. For example, if my kids want to go to a DEWer weekend, they have to raise the money to be on DEWer list.

\$75.00 a year is about \$.20 per day or a little over \$6.00 a month.
